Please take a few moments to fill out this short questionnaire. Since you know your child best, your input will help us to get to know your child quickly. Please make sure to print the teacher information form and this getting to know your child sheet and return to school. Thank you!

1. What does your child enjoy doing at home?
2. Describe his/her personality.
3. What goals do you have for your child during this school year?
4. What other information would be helpful as we work with your child this year?

**We want you to feel comfortable and well informed throughout the year. Please feel as though you can call and speak to Tiffany or your classroom teachers at any time during the year. We welcome any suggestions as to how we can improve communication or family involvement.**
