

## Snack

All children will be asked to bring a snack each day to school. Licensure requires that snacks include a food from two food groups each day. **Because of the increase of nut allergies, we will send any snack containing nuts back home.** We will have some stored snack in the event that a child leaves his/her snack at home.

Please do not send in juice. Water will be provided for your child. **Each child may send snack in a disposable or reuseable bag.** We will provide small paper cups on a daily basis for your child to use for water. Preschoolers may bring in a water bottle. Toddlers may bring a sippy cup, but it will be stored in their cubby. Toddler teachers will monitor use of the cups, so that students do not share.

If a child in the classroom has been identified with a nut allergy, we will notify all families that use that room. We ask that you take special care to send in a snack that will be safe for all children. Listed below are some suggested snack options that are nut free.

vegetables	pretzels	fruit cups
fruit	rice cakes	applesauce
cheese	crackers (no peanut butter)	Nutri Grain cereal bars
yogurt	animal crackers	cinnamon swirl bread

The following items are not acceptable snack: candy, marshmallows, cookies, fruit roll ups etc.

## Birthday Celebrations

The teachers will celebrate each child's birthday in the classroom. Summer birthdays will be celebrated before the end of school. We ask that you do not send in cupcakes or any other special snack. We will celebrate this very special occasion in other ways throughout the day.
